

### **Business Process Alignment/ Standardization**

Business process assessments that will align an organization with industry standards in preparation for the transition to a cloud-based solution or in preparation for an ERP implementation or upgrade.

### **Readiness Assessments**

Assessments that will determine an organization's preparedness for a cloud/SaaS deployment or a PeopleSoft implementation/upgrade.

*Crossroads is a collection of application and technology strategic services that can help prepare your organization for achieving your future goals and objectives.*
