

Industry Focus and Expertise

Founded in 1995, Sierra-Cedar offers a comprehensive, integrated portfolio of services, including management consulting, systems integration, and managed services. Together with its Indian affiliate, Sierra-Cedar India Pvt. Ltd, it has close to 1,200 professionals focused on the U.S. market with global delivery capabilities in both the U.S. and India.

Our Services

Sierra-Cedar provides a suite of Corrections-related services ranging from business process re-engineering, to systems integration, to long-range application management and support, eliminating the silo approach to solution delivery. We work with our clients to understand their short- and long-term goals, then follow through with consulting and managed services required to realize continuous improvement and benefit realization over time.

Specific Corrections project services our teams have delivered:

- Strategic Planning and OMS Roadmaps
